Sue Grafton GHI Gift Collection: G Is For Gumshoe, H Is For Homicide, I Is For Innocent (A Kinsey Millhone Novel)

Synopsis

Here together for the first time on CD, Santa Teresa P.I. Kinsey Millhone is still on the caseâ"G" Is for Gumshoe Kinsey Millhoneâs thirty-third birthday brings about final renovations to her apartment, a new case, and the top slot on Tyrone Pattyâs hit list. Obviously, it would turn out to be a birthday to remember. "H" Is for Homicide To the cops, the death of claims adjuster Parnell Perkins looked like a robbery gone sour; to Kinsey Millhone, it looks strangely suspicious. As the evidence leads Kinsey to insurance scammer Bibianna Diaz, she must race to get to her before Bibiannaâs spurned and violent suitor Raymond Maldonado does. "I" Is for Innocent Kenneth Voight thought that justice had not been served when David Barney was acquitted in the shooting death of Voightâs ex-wife, Isabelle. Five years later, Voight is the plaintiff in a civil suit in which Barney stands accused of Isabelleâs wrongful death. When Voight hires Kinsey to gather the necessary damning evidence, a simple civil case becomes a deadly hunt for someone who once got away with murderâand may again.

Here is our third exciting collection of crime novels in the alphabet mystery series by New York Times bestselling author, Sue Grafton. Featuring former cop turned private investigator, Kinsey Millhone, one of the most popular female sleuths in modern mystery fiction, these three complex stories demonstrate the intricate plots, conflicted relationships and strong heroine that Grafton consistently portrays. Loyal fans and new friends alike will welcome this hardcover volume of

bestselling novels, where G is for great read, H is for highly entertaining, and I is for instant classic.

Sue Grafton spends part of the year in Kentucky and the rest in California.Â Â All of her Alphabet Mysteries are available from Random House Audio, read by Judy Kaye.

Just started the first novel and it seems to hold up to the previous six I've read. Kinsey Milhone is a unique character and following the ins and outs of her personality are as much of an attraction as the twists and turns of her cases. Looking forward to the next three-novel volume!

Love this author

I really like Sue Grafton. Maybe I'm old fashioned, but I don't want to read (or watch) books or TV full of either sex or violence. She writes good mystery novels, they are fast moving, and have lots of twists to them.

Really enjoy her novels and very affordable to get 3 novels in one. Cover very worn but book is fine and that's all I really care about. Look forward to reading the next one in this book.

Great--I loved listening to them and I did lots of my brainless work while I listened which made everything copacetic!

I've been buying the Kinsey Milhone series as they have been published as 3-in-one hardbacks

since last year when I finally discovered these fun little mystery books. I now wish I had discovered them years ago. These Kinsey Millhone mysteries, and Sue Grafton's writing style have matured as the series progresses. These books are easy reads - not terribly deep but they don't pretend to be anything but that either. I also recommend Janet Evanovich's Stephanie Plum series for readers who are fans of Grafton heroine Kinsey Millhone. Although Evanovich's heroine "Stephanie Plum" is somewhat more of a "character" and the situations are far more unbelievable (intentionally so), the books are just as much fun.

Covers 3 books of the "alphabet series" We have tapes/cds of A-X, paperbacks of at least half. Anxiously awaiting Y and Z. Judy Kaye is fantastic narrator.
