Training Ministry Teams: A Manual For Elders And Deacons; Foreword By Sven Eriksson

Synopsis

Provides practical instruction to help pastors and congregational leaders bring clarity and purpose to the role of elders or deacons, and to help deacons or elders learn and refine their ministry. Each of the nine sessions in Training Ministry Teams reflects on Jesus' method of training leaders and works toward a specific outcome. Topics include: working as a ministry team, decision-making, mediating conflict, visitation, partnering with the pastor, and more. Sessions conclude with group assignments designed to move participants from theory to action. Also included are resources to help in calling, commissioning, and nurturing elders and deacons.
