Customer Reviews

great edition, but you'll be on your own coming up with appropriate fingering....and note that this is music for the highest level of player !

Book is harder than I thought. It should keep me busy. I am a moderate player. Book arrived on time and for good price.

Always keep me challenged!

The music is great, perfect level of difficulty for an amateur musician. Just be patient and practice; this isn't the kind of music you can just sightread and expect perfection

Excellent quality as always.

Excellent!
