Meredith J. Marsh received her bachelor's degree in geography from Calvin College in 1999, her Master's Degree in geography from the University of California, Santa Barbara (UCSB) in 2003, and her Ph.D. (also in geography) from UCSB in 2009. Meredith has worked as a Reader for the APHG exam in 2007, 2009, 2010, 2011, 2013, and 2014, and she is currently an associate professor of geography at Lindenwood University in St. Charles, Missouri. Peter S. Alagona is an assistant professor of history and environmental studies at the University of California, Santa

Barbara. He holds an M.A. degree in geography from the University of California, Santa Barbara, and M.A. and Ph.D. degrees in history from the University of California, Los Angeles. He has also held academic positions at both Harvard and Stanford universities.

In depth, really helpful. This book helped me get that 5. The FRQs and practice tests in this book prepare you well for the exam. Would highly recommend,

I read this in the three days prior to my ap exam and did not do much more studying than that and got a 5. It's a very good summary of all we learned and the vocabulary really helps with ap exam questions. The only complaints I have is that the frq's in the book do not have the same format as the ap exam and are not very good even though that is 50% of the test and there are not many of them so i went on the college board website and looked at the previous years frq's. Also, I was going to use this book throughout my class, but it provides a lot of extraneous details and some fluff. All in all, it provides a good summary of the course and good practice for some challenging multiple choice questions.

This book helped me study so much. I taught me a lot of the things I didn't learn in the class (because we had to do the entire curriculum in one semester) as well as help me review some stuff I had forgotten. It was a life saver for me. Highly reccomend.

It helped my son passed the ap test.

My son is using it for his test this year. He says it's well organized and the practice tests are helpful.

Great!

Awesome.

Very helpful.
