There were many places that I resonate with Lubeck's comments and explanations. He encourages readers to recapture, cultivate, and embrace a sense of "childlike wonder of the world around us, including the world of the Bible." His illustrations and short stories are used effectively throughout the book to reinforce the points being emphasized, [It] rekindled my personal desire to know and value the words of the world's most remarkable book. --J. Carl Laney, Western Seminary

Dr. Ray Lubeck is a Professor of Bible at Multnomah University in Portland, Oregon. He holds degrees from Multnomah (BS), Trinity Evangelical Divinity School (MA), and a DTh from the University of South Africa, with post-graduate studies at Regent College and Jerusalem University College. Dr. Lubeck's goal in this book is both to make Bible reading inviting and understandable for "normal people," as well as helping readers to relate its truths to their own lives and contemporary culture.

Ray has a wonderful gift of looking at scripture as a text that has meaning and everyday purpose in the life of a believer. I will never read the bible the same. This is a great tool for those looking to dive

into the narrative of scripture and seeing that your life is a part of that same story.

Such an amazing book!

I do not agree with some of his core ideas. It is hard to imagine finding the one true interpretation. I think we can get close in proper study. Overall would not recommend to others.

I love the book and the write is amazing, however, the pages of my book have begun to fall out and I have only had the book itself for two week. Wish I had time to return it for a better quality book.
