One of our latest additions to our Pinkalicious collection, I purchased this to help ease my daughter's mind about having a new teacher this year. Overall, it's one of the better Pinkalicious books as Pinkalicious acclimates to her new teacher (we'll miss having Mr. Pushkin as her teacher too). It's a sweet story and very well written. One of my favorites (and we have just about all of them!)

Another winner from Victoria Kann. My granddaughter loves Pinkalicious and all the books about her. It is a good series for a little girl.

Such a cute book for preparing my daughter for her new teacher. We love the Pinkalicious books already, but this one really helps the transition to the "big kid" classroom.

This is a bit larger than the other Pinkalicious books. Contains stickers and some activities. My granddaughter loves it, as she loves the whole series.

adorable book and great price

I purchased this book for my 2 nieces (ages 4 and 2) for Christmas. They both love the story and really anything Pinkalicious. Came quickly and as expected.

Bought this for my 7 year old niece. She loves this series! Fun to read together or on her own!

Pinkalicious books are the best! Our daughter loves them all. It is also helping her learn to read. Great book for little girls starting school!
