Customer Reviews

Dawn and Emily have created such fantastic and memorable and flawed characters, you root and cheer for them, you cry for them, sometimes you hate them for what they do, but all and all, you're taken on most fantastic and emotional journey. From Julie and Jenny and Jase to Becca and Will, Brandon and Bethany, Matt and Kristen, each one showing more courage and strength in facing their adversities and learning how to love, trust and forgive. I don't want to give too much away, but I will say that you will be drawn to these characters and you will not be able to walk away unaffected. You'll laugh and cry and you won't be able to walk from this unchanged. I truly loved these people

and I did not want the story to end. Pick up your copy now and let yourself be swept away!

totally loved these books, I had already read Whiskey Lullaby several times and loved it but the revisions made to it made it even better:), plus reading about all the other characters and getting their HEA's made it even better:) Whiskey Lullaby is in some ways one of those typical stories of boy cheats on girl and she leaves town only to return years later, but, its what happens in between and after her return that keep you reading and wanting to learn more. Broken was in some ways hard to read, it was great but what Bethany went thru was heart wrenching. I hope you dance was a sweet way to end the stories and tie up all the loose ends:) great read....

I LOVED THESE BOOKS!!! DAWN MARTENS & EMILY MINTON ARE TWO OF THE BEST AUTHORS THERE IS. I LOVE THE STYLE. AND THE ROMANCE.....OK AND THE SEX SCENES ARE SIZZLING HOT!!!!

When I read the revised edition of Whiskey Lullaby, I fell in love all over again. There's so much more that I didn't know I was missing! Emily and Dawn are amazing authors! Broken really tugged at my heart strings. Bethany had so many secrets that would've destroyed a normal person, but she hid them so deeply that I am in awe of her. Brandon fought to overlook his disdain of Bethany because of who her brother was. It takes a strong man to love someone so broken.

I had read whiskey lullaby and recalled that I enjoyed it but bought this set anyway because the price was so reasonable. So glad I did. 5+stars. I've been in a reading slump as I sometimes do after a new K Ashley book. Nothing compares and I get frustrated with mediocre novels. This was just what I needed. Hooked from page one till the last :)

I'm a little disappointed about the 2nd book in series. I was expecting more. The first book was really good, however when it came to second I felt disappointed.

These books were a great read and well worth your time and money to read them. All 3 books in the series are boxed together for easy reading at a great price. You get Whiskey Lullaby, Broken and I Hope You Can Dance. They all were great reads. They all had great characters and wonderful story lines. I really would like to read more in this series about the other brothers. Rated very good

This box set was perfect.I enjoyed this series and all the characters we meet. Loved the full circle we take in the last book, Hope You Dance.
