OpTic Gaming: The Making Of eSports Champions

Synopsis

OpTic Gaming, the four-time Call of Duty Major League Gaming Champions and one of the top eSports teams in the world, now takes fans behind the controllerâ "into the game and the minds of the greatest gamers in the worldâ "in this fascinating and unique memoir and insider guide. Emerging on the scene in 2006, OpTic Gaming has dominated the Call of Duty e-sports arena, thanks to the talents of legendary players such as Matt â œNaDeSHoTâ • Haag, the biggest eSports personality on earth; Seth â œScumpâ • Abner, the best Call of Duty player in the world; Midnite, one of the first girl gamers to rise to stardom on YouTube; and Hector â œH3CZâ • Rodriguez, the team founder and CEO. With over 14 million followers across social platforms like Twitter, Facebook and YouTube, no other team of players in eSports can match OpTic's popularity or ability to bring fans into the game. Now, these remarkable players have collaborated to produce this one-of-a-kind book. InÂ OpTic Gaming, they candidly share their story of becoming Call of Duty's global royaltyâ "ESPN XGAMES, MLG, ESWC and GFINITY championsâ "laying bare their lives, exploring what it takes to make it in professional gaming, and speaking honestly about the consequences of their newfound fame. These best-of-the-best take you behind the controller, offering insights, knowledge, and strategies to help you improve your shot, master the most complex maps, and conquer the game with the ultimate weapons. Going beyond their number-one game, the team also discusses the rest of their lineups and how to become a champion in any arena. Revealing their go-to strategies, best missions, and favorite challenges,Â OpTic GamingÂ brings fans closer to these wildly popular professional gamers more than ever before.

strongCZÂ ª NaDeSHoTÂ ª ScumpÂ ª BigTymeRÂ ª MiDNiTEÂ ª OpTicJÂ ª FwizOne of the top eSports teams in the world, the legendary four-time Call of Duty Major League Gaming Champions, OpTic Gaming, takes you into the game and their universe as never before. With more than 16 million followers across various social channels, no eSports team matches the popularity or raw skill of OpTic Gaming. Thanks to the talents of legendary players such as Matt ª NaDeSHoTâ ª Haag, the biggest eSports personality on earth; Seth ª Scumpâ ª Abner, the best Call of Duty player in the world; Ashley "MiDNiTE" Glassel,Â one of the first girl gamers to rise to stardom on YouTube; and Hector ªstrongCZâ ª Rodriguez, the team founder and CEO, OpTic Gaming has dominated the Call of Duty eSports arena for almost a decade. Now in OpTic Gaming, the team members open up about the history of the team, their lives, what it takes to make it in professional gaming, and what itâ ªs like to be Call of Duty champions. Along the way, they share every detail of how they achieved massive success on the biggest stagesâ ª from intense training techniques to gamer rivalries, their opinions on the best CoD titles, and how they convinced their parents to let them play video games for a living. Describing life on the team and in the legendary OpTic House, they take you behind the scenes of some of their most impressive wins, demonstrating how theyâ ªve been able to succeed in the biggest events in pro gaming. The end result goes beyond the videos and the hashtags, telling a story of one teamâ ªs dramatic rise to the top. OpTic GAMING was established in 2006 as a semiprofessional Call of Duty sniper team. In 2009, they started posting their games on YouTube and began their legendary run as professional Call of Duty gamers in Major League Gaming. They now have the largest following of any pro-gaming team, with more than 16 million fans across YouTube, Facebook, Twitter, and Instagram who are devoted followers of the Green Wall.

What a great story. It helps that I'm a big fan of most of these guys. If they had out even more time into it, that would have been great. Still a must read for anyone that's heard of Optic Gaming.

Being a fan of OpTic Gaming for many years, it is really awesome to finally see their biggest members share their stories. Whether you are into video games or not, this book is a great read simply because it is not just about video games but it's also about their personal lives and how they

have been changed by competitive gaming. I have learned a lot about these authors that I had never known before. While many might not think a book about eSports and video games would be interesting, there are a lot of struggles each of these people had to go through in order to become the successful organization that they are today.

I loved the way they described the tournaments, how life was like being on YouTube, and how team optic were able to handle those stressful situations as told in the book.

Amazing read.

It is truly amazing how far optic has come. If you love OpTiC your gonna love this book.

Absolutely loved it. Wish it would have been a little longer but it was an amazing look into the rise of OpTic to the powerhouse it is today. A must read for any member of the #GreenWall

Good look inside an up and coming 'sport' - I have newfound respect for this world that has evolved to much more than a 'video game'.

OpTic is the best esports team ever 10/10
