# True Images Devotional: 90 Daily Devotions For Teen Girls

## Synopsis

What do you see? It's surprisingly easy to look in the mirror and pick out all the things you think are wrong with yourself. It can be much more difficult to recognize, celebrate, and grow the special, inner and outer qualities that make up who you really are. *God's Eyes* challenges you to push past what the world says about being beautiful and instead discover your true image, your true gifts, and your true strengths in God's eyes. *God's Eyes* is a collection of things that go beyond outer beauty and explore who you really are inside. Based on the popular True Images Bible, the True Images Devotional features ninety, brand-new daily devotions on anxiety, bullying, body image, and more, as well as relevant Bible verses and prayers. Discover how God truly sees you and how the decisions and actions you make every day can help shape who you are, so you can become the person you were created to be.

I picked this up as a devotional I could walk through with my teen daughters. I pondered several choices but what I really loved about this one was that it really spoke to all the teen female related

topics in a fun and relatable way. My daughter and I are going through this together and it's really a great tool to do so. She's enjoying it just as much as I am.

This devotional hits issues head on. Girls need a biblical perspective to things that bother them and decisions to make. I'm thankful that I can recommend this to mothers with teenage girls.

I purchased this as a gift for my daughter to read to her 5 children ages 16 to 3 1/2. She says they all love it and are anxious for their turn to read. The discussions they have after reading the devotions are great.

Wonderful daily devotions for my daughter.

Bought this for my 12 year old daughter and she likes it.

My 12 year old daughter LOVES this.
