Joseph and the Amazing Technicolor Dreamcoat is the perfect show for children and adults alike. The kids like the larger than life characters while the adults can appreciate the tongue in cheek humor expressed in the songs. This book is a nice addition to any songbook library, as it includes all of the songs from Joseph as well as the accompanying piano part. If you enjoy musical theatre, sitting around the piano and singing, this is a great book to get.

If you're looking for the lyrics and music for Joseph and the Amazing Technicolor Dreamcoat, this is the one to buy. I unfortunately bought another book before this one that had very truncated versions of the songs so it was a great relief to receive this one and get the full lyrics and music. Thank you, thank you.

Although I really like having the music and lyrics to the musical, it would be really nice if they had it

written completely as they did it in the performance. I especially like the way that they had Donny Osmond do the first rendition of "Any Dream Will Do", and the finale. I would also like to have the complete musical version with music and lyrics from the beginning narration through the finale so although I really like it it seems very slightly incomplete to me, and that's why I only gave it four stars.

Christmas gift and he picked it out. Loved it.

Love this! Best music ever!

This is a great score. All the songs are included (with the exception of the Prologue, but as other reviewers have stated, this is the same music as "Pharoah's Story", which is included in the book). The different voice parts are included, and all of the harmonies. Surprisingly, the book itself is much smaller than I had expected. It is not the size of a normal piano book, and the music itself is smaller than I would have liked. Nevertheless, it is definitely worth buying.

Recommend!

It was very hard to find copies of this with the lyrics, which are crucial to understanding this great show.
