Every Nonprofit's Tax Guide: How To Keep Your Tax-Exempt Status And Avoid IRS Problems

Synopsis

The essential tax reference book for every nonprofit. Nonprofits enjoy privileges not available to other organizations. But these privileges come at a price: Nonprofits must comply with special IRS rules and regulations. This book covers what your organization must do to maintain its tax-exempt status. Practical, comprehensive, and easy to understand, *Every Nonprofit's Tax Guide* explains ongoing and annual IRS compliance requirements for nonprofits, including: a detailed look at Form 990 line-by-line instructions for Form 990-EZ conflicts of interest and compensation rules charitable giving rules unrelated taxable business income rules lobbying and political activity restrictions nonprofit bookkeeping other key tax rules. Whether you are just starting your nonprofit or are well established, you'll find all the information you need to avoid the most common issues nonprofits run into with the IRS.

Customer Reviews

"(Nolo's) material is developed by experienced attorneys who have a knack for making complicated material accessible." Library Journal "Nolo is a pioneer in both consumer and business self-help books and software." Los Angeles Times

Practical, comprehensive, and easy-to-understand guide that explains both ongoing and annual IRS compliance requirements for nonprofits, including the Form 990, charitable giving rules, unrelated taxable business income, bookkeeping and more.

Perfect for our quilt guild, perfect for our board of directors to stay on top of things. Almost every other nonprofit guidance book is tailored for "cause" nonprofits, which doesn't apply to us ... making us pay for much of a book we will not need at all. Written in clean, clear "English," this really touches not just the basics but the real issues the whole board needs to work, implement and maintain. Best reference book for our non-cause needs.

Well written and organized. I am working as a bookkeeper for a non profit, and this book has provided guidance. Especially with new government oversight.

Very informative

The Nolo series for starting, keeping and flourishing with your Non Profit, is EXCELLENT! I bought one for a friend to start her out

This book has so much information that is super practical and formatted so that it is easy to understand. I highly recommend this book to anyone who is starting a nonprofit. It has many great tools.

Used this to help prepare for a seminar course I was giving. I'd recommend it for any tax-exempt organization. Easy to understand with lots of helpful information. However...a new edition is coming out in November 2013, so this will be outdated soon.

Another good book. It'll be very helpful. Thanks.

Great advice; timely delivery
