Customer Reviews

Not worth five cents. 2.5 pages of nothing for each site

What this book did was tell me what are twelve of the top sites. It didn't really tell me why or when or what to do there. Honestly felt that the low price was still too much!

What is walkable in other ports not mentioned (Kodiak Island and Icy Sheets). Weather conditions for different times of year.

Concise guide to what to see and what to avoid in Alaska.
