Customer Reviews

A gift.

We babysit for a family and the daughter is learning piano and LOVES Christmas music. She loved the book and was singing all the songs after we gave it to her.

Good

Just in time for Christmas!

This book is great for beginners

My daughter used this but I'd say it's for very good beginners. But it's been years since I've played. She's been in classes for about 5 months and this was just right for her. Thankfully!

This book of songs is perfect for new piano players. Arrangements are not too complicated. The spiral binding also helps keep music pages nice and flat.

Have piano, but I play very ill indeed. This book put some sing-along with the piano activities within reach. Awesome.
