as always --another fantastic book by steve turner "squidoodle"---pictures are great--printed on one

side of paper--and the paper is good quality--many pictures of skulls--i always look forward to get the new books from squidoodle--this one was just as thrilling to get and open as all the others--if you love skulls--you will love this book--if you have never heard of steve turner check him out on facebook and --he does all types of coloring books--there is something for everyone---

Steve Turner's art is amazing! There are so many different types of pictures in this book. Flowery skulls, gray scale skulls, even a unicorn skull!

This book is just as amazing as I thought it would be!! There are black & white plus gray scale images to color each containing one or more skulls. I'm absolutely in love. I got my sis a copy too & she loves hers also.

Best Skull book ever!! I really love Squidoodle's books, this is probably my favorite, but I have Natural Altas and Fancy Letters, they are great books! Buy this book you will love it!

I love Squidoodles Skull book, all of his books. Steve 's style is so perfect looking that some of the pages in his coloring books, esp this one I almost don't want to color and mess them up! Buy this book it's his best imho.

Cool

Saw this book on face book had to have it because I like skulls. Not as cool as I thought it would be but it is a good book.

Great pics very crisp photos lots of great pics
