Customer Reviews

This book was just beyond amazing. My favorite kind of erotica has always been under the romance umbrella. You get the sweet and the nasty all rolled into one. Below are my favorite stories: Sensitive to the Touch by Donna George Storey-stocking fetish-loved the relationship and unexpected reaction to the kink Just Knowing by Kristina Wright-quickie in the woods-loved the jealous ex angle, wish this were a full length romance novel Lily's Last Stand by Delilah Devlin-couple finding the spark again-wife and husband have great chemistry The Sweetest Thing by Giselle Renarde-short, sweet story-toy play, makes me wanna invest in a rabbit The Exhibition by Malin James-a couple on the verge of breaking up or getting back together-hot sex scene-love mixed signals adding to their passion but being quickly resolved Approaching Hardcore by

Jacqueline Applebee-love the twist with the threesome being with another woman-love the subtle comedic tone-DIVERSITY

I received a free copy of this book in exchange for an honest review. I really enjoy reading anthologies especially if they are edited by Rachel Kramer Bussel. In fact this is my 30th I've read edited by her. I'm always pleasantly surprised at how the various authors interpret the theme of the collection of short stories she assembles. This anthologies theme is On Fire. The first line of the introduction asks the question "What does it mean to be on fire?" Well, these authors and their short stories answer that question in various ways. There are 21 short stories and as with most anthologies some stories stuck with me more than others. That's not to say I didn't enjoy the other stories because I did it's just that a handful really resonated with me. These are some of my favourites. Sensitive To The Touch by Donna George Storey made me order some real silk stockings. They are not cheap but boy are they worth it. And no I'm not getting any kickbacks from silk stocking companies. Lily's Last Stand by Delilah Devlin is a sexy, sweet, what am I wearing under the trench coat to my husbands office but with the couple discovering some new things about each other. Favourite Masquerade by Angela R. Sargenti is an extremely hot twist on Romeo and Juliet. Barbed Loved by Tasmin Flowers tells the story of a wife obsessed by the younger, hot pool boy until her husband comes home after being away for a few weeks sporting some new facial hair and the new sensations that comes with that. Sabine and Cael: Home by Corinne A. Silver is an extremely tender, sweet and very sexy story about a couple finally getting their deepest wish. Art of Darkness by Heidi Champa. A steamy, hot encounter in a dark room. The Dance by Rachel Kramer Bussel. A new take on a loving couple who happens to be swingers. Con Artist by Veronica Wilde. 2 self proclaimed nerds finally find love and each other after a series of misunderstandings. Approaching Hardcore by Jacqueline Applebee's. A husband finally fulfills one of his wife's sexual fantasy after various awkward attempts. The Exhibition by Malin James. Former lovers meet again after they decide to take a break. There really is something for everyone's taste. I definitely recommend this collection.

'Sensitive to the Touch': A gift that keeps on giving' Just Knowing': A feel good tale about when the time is right and everything finds its proper place' Lily's Last Stand': She'd surprised him, but he'd surprised her; now who is in charge? She'd finally figured out what they both needed - she'd found her inner vixen' Almost Hardcore': A dare is a dare; "fantasies turn into reality' A Place as Beautiful as this': Having the two versions of Boyd in her mind didn't include her...'Con Artist': The glory of

anonymous sex is the fruit of imagination'My Wife, My Sub, My Love': Sex in a public park bring to mind memories of thrilling encounters of the past'Barbed Love': We just want what we want; best female masturbation sensation scenario yet'Sabine and Cael: Home': Magnificent - "A miasma of their passion pushed together"'Art of Darkness': Sensory deprivation only delightfully heightens the other senses'The Dance': Great story; the novelty of naughty becomes so nice & yes there is a first time for everything'Paradise': Love reunions, time spent apart always adds to the excitement
