Williams Manual Of Pregnancy Complications

Synopsis

The only pocket manual derived from Williams Obstetrics, 23e, the field's most trusted text – completely updated and now in full color! A Doody's Core Title for 2015! Williams Manual of Pregnancy Complications, 23e is a carry-anywhere, condensed guide to the Williams protocols for diagnosis and management of complications and illnesses during pregnancy. Reflecting the rigorously referenced, evidence-based approach of the parent text, the manual delivers essential information on: Prenatal screeningMedication use in pregnancyHypertension disorders in pregnancyPain management dosagesProcedures for complicated labor and delivery, hemoglobinopathies, and more! Thoroughly cross-referenced to Williams Obstetrics, 23e for the latest literature citations, this edition is enhanced by a new full-color presentation, more tables and algorithms, and an increased emphasis on diagnosis and treatment. There is no faster or more efficient way to access the key facts, diagnostic tools, and treatment guidelines found in Williams Obstetrics, 23e than this authoritative, streamlined sourcebook.

Customer Reviews

Kenneth J. Leveno, MD Chair and Professor in Obstetrics and Gynecology University of Texas Southwestern Medical School Dallas, Texas

Excellent

Had the previous addition and decided it is time for an update. I am very happy with this excellent comprehensive reference

Thank you! It is like a new book

It's a handy quick reference, I hate the fact that you get directed to "review Williams textbook for more details"! As some of these details I found to should have been part of the manual itself.

Such a waste of money! Neither organized in summary fashion for easy access nor it covers important points Very disappointing

Love this product! It's a gem! I never realized cutting veggies could be so easy. Disclaimer I've never had nice knives before so I'm not sure what I'm comparing it to. I just know I'm happy! very recommend . very good seller . my husband think it is amazing , fast .
