Exquisite Innocence (Iron Horse MC Book 5)

Synopsis

Lyric I've spent my entire life on my parent's isolated religious compound, sheltered and cut off from the rest of the world. It left me ill prepared to face the evil that invaded my home, and after a horrific encounter with demons masquerading as men, I fled. Some might say that my refuge is even worse than the prison I grew up in, but the men and women of the Iron Horse MC have been better to me than my own family. Unfortunately, the trouble I thought I left behind is still hunting me for reasons I don't understand. Hustler has been assigned to be my guardian, but to my foolish heart he may be the biggest threat of all. Everything inside of me tells me we belong together, that I've been put on this earth to be his, but he insists we'll never be anything more than friends. Hustler For as long as I can remember the Iron Horse MC has been my family. I've fought, bled, and sacrificed a piece of my soul for my brothers, but I've been set up, labeled a traitor by those I trusted most. My only hope comes in the form of a naive young girl I've been tasked with protecting, a woman who's haunted both my heart and dreams. She's everything good and beautiful in this world, and while I'll never allow her to tarnish herself by loving me, I'll do everything I can to make sure she survives. Exquisite Innocence is a 55,000 word short novel and book 1 of 2 for Hustler and Lyric's story. Book 2, the conclusion of their story in the Iron Horse MC saga, will be out before Christmas. (This unconventional MC series is one that SHOULD be read in order, starting with Exquisite Trouble)

Well that sure did end abruptly. That's really the only reason I gave it at 4 instead of a 5. The book was good. The storyline and writing were great. I enjoyed following Lyric and Hustler's journey. Their story seemed rather short though and the ending came out of nowhere. I am curious to how many more books there will be before we get to the revelation of Chief. I'm glad we get more of Lyric and Hustler though. I'm wanting a Sledge and Marley book too. I'm so ready for Mimi and Mike to unleash their bada\$\$ness on everyone! LOL

Dont waste the three bucks. I have read and reread the other books and love them. They have great plots and its hard not to love the characters. After waiting eight extra months for this book I couldnt be more dissapointed. Hustler seems like a selfish prick which we know he is not from the previous books. Lyric jumps into bed with a guy she has known for two hours, which doesnt fit with who she is at all. There was no buildup to them hopping into bed whatsoever. The sex scenes were not great. Also, Hustler leaves Vance in charge of his store (aka his baby)? Yeah, i dont think so. And since when does Swan dislike Hustler? They were like family. To top it all off, besides Lyric leaving the cult, NOTHING HAPPENS!!! The story consists of one evening, and 10 days later, another day and a half. Im soooooo dissapointed.

Good story. Be warned. Ends in cliff hanger ! Hate cliffhangers! Having said that, this is a sweet read about a sheltered girl leaving that environment being lead into the world by a biker while being chased by some very bad dudes. It has some interesting biker characters, lots of mystery, little bit of hot sex and will keep you entertained. Only 4 stars because of the cliffhanger.

I am so glad this book is here. A wonderful addition to this series. It ends in a cliffhanger that has you chanting "I need the next book" . This has friendship, adventure and Hot Alpha Bikers of course steamy sex. I definitely recommend this book.

I have officially fallen down a rabbit hole and everything is Wonderful! Only Ann could weave such a

spell-binding take in which up is down, and down is up! I can't wait to see what else happens in the adventure that is Hustler and Lyric.

This is a book was I was anticipating for awhile now. I don't know what it is about this series that I love, but I wait for the next book. All the build up to find out who is the cause of turmoil in this series.

Hustler and Lyric's story was everything I wanted and more. Ann Mayburn knows how to suck me right into a story and not let me go until the last page.

Love Ann Mayburn, lover her stories. The only reason I'm giving it four stars instead of five is because, although it ends at a good spot, it is a TBC. Not my favorite.
