The Earl Finds A Bride (Fairy Tales Across Time Book 1)

Synopsis

First in a series of fairy tale time travel romances called *Fairy Tales Across Time*! Whatâ€™s a fairy godmother to do when she has too much time on her hands? She must meddle in the affairs of others, of course! So discovers the Earl of St. John when he encounters a strange little woman one evening at a ball who prophesies that he shall not, from that night forward, leave his castle until love finds him. Scoff as he might at her eccentricity, her prediction comes true, and the earl finds himself trapped, unable to venture beyond the boundaries of his estate. Mary Palmer, a twenty-first century lover of fairy tales, finds an old book of unfamiliar stories, and she dives into the first tale before bed one night. The story of a lonely earl trapped in his castle by the curse of a strange little woman captures her imagination. How can the earl find love if he cannot break the curse that binds him to his castle? How can Mary resist the compelling draw of an old book of fairy tales that draws her back in time? And where is a fairy godmother when one needs her?

Bess McBride does it again! I can hardly await the sequels I hope come next. A beautiful plotline with a new method of time travel. A bit wordy, but overall an easy and delightful read that had me

refusing to do anything until I finished it. I hope Halwell's story is next.

Do you believe in fairy godmother? Well you will wish you actually got to meet one. Why? Because fairy godmothers know what you truly need and what you secretly wish for! Great story Bess McBride as always it's a 5 star book review.

Bess always does a great job with time travel. The fairy godmother and lonely earl made for a delightful short story. This is a great book to read when you don't have a lot of time to invest in a long novel.

Five stars..This is an old-fashioned romantic novel, with a good ending. Good time travel author, she gives well rounded storyline..Cannot wait for book two

I loved it and I love Bess McBride.....!!

I LOVED this book and I read a lot! I am now definitely a follower of Ms McBride!

Wonderful story! If you enjoy a true romance read this story! This is a clean story so, if you are looking for more physical passion this is not the story for you. However, if you enjoy a great love connection of the hearts, you will enjoy this story. This is time travel romance with a fairy tale twist to it. I love Ms. McBride's stories. I have read many of her stories, and they are some of my favorites! I have to admit I was a bit skeptical about the fairy tale when I first heard about it, but, I ended up loving it!!! The characters are not perfect. They have weakness that make them believable. They are interesting. I liked them all! I cannot wait for next story. I too hope it is Halwell's story. This story was a page turner. I could not put it down! I loved the ending but was sad to see it end! Highly recommended!
