Synopsis

In this decidedly unhelpful, candid, hilarious *how-to* guide, YouTube personality Miranda Sings offers life lessons and tutorials with her signature sassy attitude. Over six million social media fans can't be wrong: Miranda Sings is one of the funniest faces on YouTube. As a bumbling, ironically talentless, self-absorbed personality (a young Gilda Radner, if you will), she offers up a vlog of helpful advice every week on her widely popular YouTube channel. For the first time ever, Miranda is putting her advice to paper in this easy-to-follow guide, illustrated by Miranda herself. In it, you'll find instructions on everything: how to get a boyfriend (wear all black and carry a fishing net), to dressing for a date (sequins and an orange tutu), to performing magic (*Magic is Lying*), and much, much more! Miranda-isms abound in these self-declared lifesaving pages, and if you don't like it well, as Miranda would say *Haters, back off!*

YouTube personality Miranda Sings, created by comedian Colleen Ballinger, is a hilariously underwhelming *singer*, model, and magician. Known for her comically toneless singing, terrible advice, and in-your-face red lipstick (applied well outside of her lips, of course), Miranda never fails to elicit hysterical laughter. From collaboration with super *Mirfanda* Jerry Seinfeld, to drawing millions of fans around the world, to live performances, to wow-ing the world with her original single *Where My Bae's At?*, Miranda dominates both the *innernet* scene and live audiences in the United States, Europe, and Australia. She lives in Tacoma, Washington where she works to keep her many *baes* in line.

I love this book! I love Miranda's videos (and Colleen's too!!) This book is full of hilarious, useless information as you would expect from Miranda. You can really tell how much work Colleen put into it though, she did an amazing job. 5 stars

Really funny. It refers to showing too much cleavage as "porn". Parents might find this inappropriate but it is something Miranda would say in her videos. The book is creative and well-made. It is definitely satire so I would not take it seriously.

If your kid loves Miranda as much as mine do, I feel sorry for you too. Kids love the book and passed it to their friends to read.

HILARIOUS. I love Miranda's humor, so this book was great. I read it all in less than 4 hours, and I was entertained by every second of it. I highly recommend this for all Mirandas.

My 8th grader begged for this book. He isn't an avid reader, so anytime I can get him a book I love to do so. He sat down and read this one all the way through, so it's awesome.

"roses are red, violets are blue, i like Miranda you should to or else. " is my life motto. this book is the most amazing thing I could have ever received from !! Two weeks early!!!

Daughter love this book finished it within hours

This book is classic Miranda Sings. It is the epitome of everything ridiculous that her character encompasses. I love reading it while using the restroom. BYE THE BOOK AND HATERS BACK OFF.
