# Hold Her Again

## Synopsis

A country-music star returns home to win back the woman he loves in this charming holiday novella from New York Times bestselling author Shannon Stacey. Ava Wright isn't happy to see her high school sweetheart rolling into their hometown a few weeks before Christmas. He's only come back to bury his estranged father, but there's no way she'll be able to avoid him. No one can: he's become a country-music superstar since going solo and leaving Ava behind. Jace Morrow grew up believing "money can't buy happiness" was something people said to make themselves feel better. But now he knows it's the truth: no matter how many number-one hits he has, he'll never recapture the magic of singing with Ava. Missing her; loving her; and living with making the wrong choice in life were what made him who he is. When Jace is roped into being part of the town's annual Christmas party, he only cares about earning Ava's forgiveness. And though Ava's heart has never healed, she loved Jace too much and for too long to shut him out when he's hurting. As they fall in love all over again, they're both faced with choices for their future; and this time Jace intends to make the right one. This book is approximately 30,000 words. One-click with confidence. This title is part of the Carina Press Romance Promise.
