All gorgeous, Sexy, handsome men, the Anderson brothers, except Alexander. He's too wimpy to be regarded as the usual hero yet it's really hard not to like him too. He gets a pass because Olivia loves him so much.

A very story series of stories about believable and likeable characters. I have enjoyed reading this series and look forward to more.

I enjoyed reading this book and reading about all the Anderson brothers. Each brother's stories were all very good and interesting.
