Atlanta: A Photographic Portrait

Synopsis

If you set out to find a place with a warmly temperate annual climate, a place with attitude, water views, natural beauty, metropolitan amenities, cozy neighborhoods and high culture-all within a two hour flight of 80% of the nation's population-that place would be Atlanta. Byron Jorjorian examines a cross section of Atlanta's landmarks, trademarks, and hidden delights using aerials, abstracts, close-ups, and his internationally acclaimed eye for the natural environment. His beautifully made photographs encapsulate the essence of Georgia's dynamic capital city today. We hope these pages inspire you to document your own slice of the "Big Peach".
