Locked In: One Girl's EXPLOSIVE TRUE STORY Of Child Abuse (Child Abuse True Stories)

Synopsis

"What if this time tomorrow, I could be free?" That was the question that 15-year-old Emily asked herself as she gazed up at the ceiling of the darkened room in which she had been held captive for the past 10 years. Of course, the very same question had arisen in her many times before, but never with quite the same sense that there might be a genuine possibility of escape. Subjected to a relentless campaign of violent sexual abuse at the hands of her wicked stepfather, she knew of no other life than that of her depraved servitude. But here, in this remarkable book, she tells the story of those fateful hours between midnight and morning. Of how it all came to be - and how it all, finally, came to an end. **WARNING:** This book is based upon a true story of child abuse, and as such contains passages that some readers may find disturbing.

Customer Reviews

22 pages... Just an short article. Should be placed in a magazine or newspaper. I didn't see it was only 22 pages, but will check next time. Waste of money.

I found this more than disappointing...it isn't written in the way a child would talk or think. The book isn't even a complete story...22 pages long.

Good to understand that who ever what ever there are evil people around that his behind religions and other stuff law and doctors and behind doors people suffer it was great for her to speak out hope these days she is happy

As I empathize with any child who has to endure the ugliness of an adult abuser, I was shocked that this book is nothing more than about 10 pages long. To make this a book, the writer should have touched more on her earlier life with her mother. I was confused by the random poem that appeared.

This particular "version" of THE BOOK ENDS AFTER THE FIRST CHAPTER! A disappointment, because what I DID read was good enough to want to continue. Not sure that I'll attempt purchasing another "version" to continue/finish it.

Different kind of story .it was an easy read but not what I would call a good book. Seems to start in the middle and it just ends. Needs an ending the story just ends would not read it again. Nor would I recommend it .

Super short. Horrible ending. Ok, what happens when she leaves? This book has no description of the guy, what's happened during the 10 yrs, etc.

Unfinished thought is more like it. Even at 99 cents, I want my money back. If she would expand on it and say what happened once she escaped her fans would appreciate it. She is a good writer. I just can't call this a book at only 22 pages. So disappointed. We want more!
