Synopsis

BERLITZ EARWORMS MBTÂ® RAPID JAPANESE VOL. 1Effortless, enjoyable, fast and effective language learning through musicThe term earworms or catchy tunes refers to those songs which you hear a few times and then just can't get out of your head. Berlitz Earworms mbtÂ® Rapid Languages puts the words and phrases you need not just on the tip of your tongue, it transports them deeply into your long-term memory, ready for instant recall. Simply listen to the music CD filled with rhythmic repetitions a few times and listeners will subconsciously acquire a collection of verbs, nouns and connecting words, all the while picking up the correct accent. This is your survival kit of immediately useful words and phrases for your visit abroad. Listen a few times to be able to ask for a table in a restaurant, order food and drink, take a taxi, rent a car, buy tickets, deal with money, numbers, times and days, ask for directions, deal with typical problems, hold a simple conversation and more. Volume 1 deals with the essentials for your visit abroad. It covers typical situations, polite phrases, finding your way, numbers, how to deal with problems, and so on.

Customer Reviews

I really do believe you guys have cracked the code. I am truly terrible at language but your system sticks in my brain it must be magic! --Row Turner, BFBS Radio 1

About BerlitzFor more than 125 years, Berlitz has been the most trusted name in language learning. Berlitz was built on the principle that language skills are best acquired through conversation, with a focus on real-life situations. Today, we offer self-study audio language programs, phrasebooks and dictionaries in more than 30 languages for children and adults. With more than 450 language schools in over 60 countries, Berlitz has taught millions how to speak another language.

Good music, easy conversation, and plenty of non-boring repetition make this a very enjoyable way to learn conversational Japanese very useful for when travelling. Highly recommend this very unique way of learning!
