# The Berlin Cookbook. Traditional Recipes And Nourishing Stories. The First And Only Cookbook From Berlin, Germany, With Many Authentic German Dishes

## Synopsis

Offering traditional recipes and stories about the heritage of Berlin food, the cookbook reveals easy-to-follow recipes for schnitzel, currywurst, eisbein, dÃ¶ner kebap, and those jelly donuts known as Berliners. How eisbein got its name, why Friedrich II made Prussian farmers plant potatoes, how meatballs were imported by Huguenots, and how Bismarck got his herring are also inside. This guide proves that Berlin cuisine is simple, wholesome, and down-to-earth.

## Customer Reviews

âœRose Marie Donhauser is one of the most acclaimed authors of cookbooks in Germany.âœ  
âœ"Umschau Verlag"Beautiful pictures, entertaining texts, and easy to process, fresh ingredients."Â  
âœ"Der Spiegel"

Rose Marie Donhauser is an experienced cook, cookbook author, travel journalist, food critic, and a member of the jury of Berlinâ™s master chefs, which honors the cityâ™s best restaurants. She lives in Berlin.

I love German food, and this cookbook is full of recipes that are easy to follow and easy to prepare. I really liked the historic notes that accompanied some of the recipes, which explain some of the dishes' names and provide insight into where some of the foods and traditions come from. More than just a cookbook, this feeds both your craving for delicious food as well as your mind!

I love the Berlin cookbook, it has well researched background information and fantastic recipes. I made the Rouladen recipe for Christmas and all my guests loved it.

Excellent 5 plus stars. Thanks

My brother is living in Berlin. He knows how to cook. This was the perfect gift. He did NOT need the complete encyclopedia of German cooking. Curry Wurst? How good is that? I like to eat goat.

Book is to be sent to German cook in Thailand.

I was able to recently review a book titled The Berlin Cookbook. This is a cookbook from, you guessed it:) Berlin! Actually, the recipes are from Berlin but the cookbook itself is from here in the US. Now, I have to tell you, I have not had real German food in quite a while. We used to live near a German restaurant but since we moved we have not had any. So looking through this cookbook was quite a temptation:) The book is well written with storyline along with recipes. It piques your interest so that you keep reading and checking out the recipes. The pictures I think could have been a little more well done as they look older and not quite as appetizing. That is a big thing to me with cookbooks. If the pictures are not up to par where the food looks steaming hot and mouthwatering, I will probably not try the recipe. My favorite recipe from the whole book would probably be the Konigsberg Meatballs. They look delicious and the recipe is nice and easy. I have to say some of the recipes about made me get sick:P The raw meatballs just turned my stomach. Never knew people ate them like that but that must be the way in Berlin. Overall this cookbook would be a great gift for someone who is from Berlin or who wants a realistic cookbook. If you really want the recipes from there, this is your book! You can purchase this off or from the website Berlinica Publishing. I received a complimentary copy of this book. All thoughts are 100% mine. I did not receive any monetary compensation.
