I Love My Mom-Ich Habe Meine Mama Lieb (English German Bilingual Collection) (German Edition)

Synopsis

In this bedtime story, the little bunny Jimmy and his older brothers try to find a perfect present for Momâ's birthday. They want to show how much they love her. What creative solution did they find to express their feelings? This story may be ideal for reading to your kids at bedtime as itâ's enjoyable for the whole family! In dieser Gutenachtgeschichte versuchen Jimmy und seine Älteren Brüder das perfekte Geburtstagsgeschenk für ihre Mutter zu finden. Damit möchten sie ihr zeigen, wie lieb sie sie haben. Mit welcher fantasievollen Idee drücken sie ihre Gefühle aus? In diesem illustrierten Kinderbuch werden Sie es herausfinden.

Customer Reviews

I finished 'reading' this a couple days ago. I put off writing the review because I wanted to write it in German. But I just feel too inept in my writing and speaking of the language. So English it is. In case anyone is interested, I have started working with an app called DuoLingo where you can learn other

languages. I started out wanting to do Spanish and German but my two semesters of German is closer in memory (I took those nearly a couple decades ago) than my two years of Spanish in high school. So after I get better with my German I may go back and try Spanish again. Either way, I understand a lot more written than I do any other way. I wish DuoLingo offered Latin because that has got me through a lot of my life as a basis.***This was a cute little book about the love of three sons for their mother. They want to give her a birthday present to show their love. It is sweet and adorable. I would love to be able to read it aloud one day to myself, my cats and hey, it could happen, my grandchildren. My biggest problem is that the text-to-speech doesn't work. I would think a child would love to have this be a book to read or have read to him or her so they could learn to read it themselves and understand from both languages. And the language of love that the bunny brothers teach so well. By the way, I have downloaded the German narrators on my fire but they didn't work any better than the English version. So I will have to learn the words better to be able to speak them with any expertise at all. This nice part about the DuoLingo app is you do get to practice speaking the language. I do wish I could find more books that are read to me in the easy learning levels.

Loved this book! I got it for my great nephews to hopefully learn a little German while they're still young and pick up language early.

My daughter loved this to read to her twins

Very good. RMS

When learning German, simplicity is helpful.

Terrible layout, terrible writing, unimaginative story, cheap and bad quality print. One of "those books". Quick money maker for the printers, nothing a child would actually enjoy looking at, or be read to.

Nice book to start German learning for kids.

ich lieb es
