Blue Guide Sicily

Synopsis

Digital edition of the indispensable Blue Guide to Sicily (9th ed.), the most in-depth guide for the cultural traveller. Explores the history, art, architecture and archaeology of this fascinating island, as well as its incomparable landscape and cuisine. With tips on where to stay and how to get around. Includes the small islands off the Sicilian coast, such as Stromboli, Lipari, Ustica, Pantelleria and Lampedusa.

Customer Reviews

This is not a book about beaches, hotels, and restaurants. It is the best guide about history and archaeology. Worth the price if you are there to see and learn rather than tan like a pig skin.

the best travel guide I've ever purchased. my planned trip is for art and architecture. this covers everything i need.

Excellent as this series usually is

Well researched. Really for those who enjoy art and architecture
