Customer Reviews

This book is the right size for travel. It provides a handy on-the-go reference for prayer. If you're looking for a prayer book, just bear in mind that while this book has a famous historical name, it contains much more than just prayers. It lays out almost every liturgical event in the Episcopalian church. It's definitely a handy pocket reference, but not anything to write home about.

This BCP is WONDERFUL! I was a little worried when I first ordered it because there were no reviews yet on when I purchased it. However, I am so glad I made this purchase, and I will probably buy another one as a gift. This is a beautiful edition that I will treasure for years to come. The cover is very soft, and the pages are thin. This is also the perfect size; not too large or too small. Great purchase!

Very good for the purpose and even though this was one of the warehouse deals it was in good shape. Just thought I was getting a red one but got a black one instead. But that will be fine.

It took me a while to go Kindle, but it's nice to have the BCP in such a compact, portable form. I use it for traveling mainly, when carrying a bunch of books becomes unwieldy. I advise bookmarking ahead of time, since the pages on Kindle don't match the pages we are so accustomed to opening.

Was looking for information on Episcopal worship. Also have the hymnal that goes with the church services. Would answer questions you might have on the Episcopal way. There is plenty to study in this book.

This BCP has the revised Sunday lectionary. It shortens/lengthens different passages of scripture, but the chapters are the same. We use it several times a day.

I love the BCP -- and would certainly give a hard copy five stars. But the Kindle version, unfortunately, is impossible. There is no meaningful table of contents, and if you are trying to use the Psalter, the Kindle version repeatedly freezes. I would gladly return it but I'd purchased it for a trip abroad and by the time I discovered I'd gotten a lemon, it was too late. I guess there ARE some things that are just better if they aren't virtual!

I have always found it difficult to keep up with the lectionary readings. It has broadened my range of concerns in prayer (labor union negotiations, etc) But I have semi-switched to the online Catholic short breviary. All I have to do is ignore the mariolatry and papalolatry. (Hyperdulia my foot!) It downloads the entire days readings and prayers without me having to calculate where I am in the Christian year.
