# LPN To RN Transitions, 3e

## Synopsis

LPN to RN Transitions, 3rd Edition makes it easy for to take the next step in your nursing career with all of the essential information you need to pursue your RN degree and practice as a registered nurse. This new edition includes practical information on classroom study habits, professional writing, knowledge and skills acquisition, and more. Plus, newly-revised chapters provide the latest information for one complete, indispensable resource to help you succeed in everything from the classroom to clinical practice! Clear, succinct coverage focuses your attention on the issues that an RN must address for a successful practice. Critical thinking questions gives you practice applying the critical-thinking skills you will need on the job. FYI boxes encourage you to think about how your day-to-day interactions will change as an RN. Key terms at the beginning of each chapter help you master vocabulary words central to the topic discussed. Learning objectives in each chapter touch on the broad range of topics that will be emphasized in the RN curriculum. NEW! Passing NCLEX chapter provides strategies to help you succeed on the NCLEX-RN exam. Case studies in each chapter demonstrate how the concepts discussed apply to real-life patients and colleagues. Summary content presented in a bulleted-list format offers a quick chapter-review for test preparation. Two-color text creates a more engaging reading experience. Revised table of contents helps you quickly locate information. Improved organization in each chapter gives you a clear picture of what the profession of nursing encompasses and ends with a career-affirming review of the path you must travel to become a registered nurse. Casual writing style makes it easier to read the text and gain practical advice.

## Customer Reviews

I needed this book for class. The book puts information in ways that you can understand. It goes over nursing information as well as helping you figure out specific learning styles to enable you to succeed in higher education.

Needed this book for nursing school. It was a very easy read. A little boring, but the chapters are short and to the point! Great price!

Great book to help with transitioning!!!!

Definitely a book I'll get a lot of use out of!! Thank you for the great service

A lot of useful information; however, the book is very boring, it's hard to stay concentrate while reading it.

Exactly what I needed

It's a good book for a RN bridge program.

Great book; well organize. I wasn't able to open it on my phone though however, I was able to access it on my kindle app on my iPad and MacBook; no issues with download to these devices.
