# Manhood Restored - Study Guide: How The Gospel Makes Men Whole

## Synopsis

**Manhood Restored: How the Gospel Makes Men Whole - Study Guide** includes a small-group experience for six sessions, individual study, applicable Scripture, and a group discussion guide. This men's Bible study is designed to foster personal spiritual growth through individual time spent with the content. Manhood will always be in crisis until Jesus returns. But in Christ, men can be restored with ever increasing glory into the undefiled image of God. This six-session study leads men on a journey through masculinity, with Bible-study sessions on the problems men face, God's solutions, and the restorations of worldview, sexuality, vision, and family. Although this study is theologically rich, it also has very practical components to give men the beginning steps to walk in gospel-centered manhood, including individual journaling exercises and personal interviews and testimonials included on the video.

Used the book in our Bible Study Class.

I really like the whole Manhood Restored series. The study guide added more insight into the videos and the Bible.

Not useful outside of group study format.

When I received the book I realized this book is to go along with a video series - it is not the book that is to be read by itself.
