Haute Bohemians

Synopsis

Who, exactly, is a haute bohemian? Leave it to the discriminating, gimlet eye of photographer Miguel Flores-Vianna, who enjoys an international, cult-like following. He has journeyed through four continents to capture an extraordinary group of fashion designers, landscape architects, artists and art historians, potters, and interior designers, where they liveâ "country cottages, beach bungalows, canal-side lofts, and East Village apartments, as well as assorted estancias, chÃ¢teaux, and palazzi. Some of these spaces are grand, others are modest, but all are original, stylish, charming, and above all authentic, in the sense that they reflect their ownersâ ™ care and taste. His work is introduced by Amy Astley, editor of AD. Â

Book Information
