good for beginners

My son love the bookss

it is recommend. so fast, receive it next day . for a host , as description. Definitely a good purchase. I was looking for a replacement for my chef's product and this looks to be a really well made product. Its sharp, with a nice weight to it. Will definitely recommend to anyone looking for a good product at a reasonable price.

To say sometimes in Spanish, it's "a veces" (ah-beh-sehs), not "algunas veces." This is repeated throughout the book. I wonder if they used a computer translator rather than a real person to translate this story. I'm rather appalled at this glaring error.Sra. This is a great beginners readers book. This book is about an alligator who talks about his / her feelings. Sometimes I am happy, sometimes I am and then the next 2 pages says I like who I am. I like what I do.This is a really cute book about how you might feel one day and have different feeling on a different day. I think it's cool that the book say I like who I am. I think it's important for our children to know they are OK and that one day you might be up and another day feeling sad and blue.The illustrations done by the author and are done using colorful acrylic paint. Great also for alligators
