Customer Reviews

I searched and searched for this Bible. I already had a message Bible but it was too heavy and didn't have the chapters numbered. I just got this two days ago and so far really love it. I'm going to order more for Easter baskets and graduation gifts.

So happy I finally purchased this. I'm enjoying reading a version of the Bible that has different verbiage than what I'm used to, as it makes me actually think about what is being conveyed. This specific one is a great size for reading and looks like it will hold up well.

Really liking this so far. This bible has a very nice soft leather feel cover. As far as the interpretation, it just explains the scripture in simpler and more applicable terms.

For the old bible reader (like me) it is wonderful to revisit the bible in a language that makes it almost like reading it for the first time. Very comforting. I have given it to people who I know don't or haven't read the bible a lot with the faith that it will be a good read and hopefully bring them to Jesus.

puts the Bible in today's language without distorting the message.

This is the best Bible to better understand God's Word. I have now bought one for each of 11 grandchildren, one for my best friend and of course one for myself.

I do not like the fact that the verses are grouped together. Because of the extremely pale color of the numbers it is very difficult to find the verses at all. Not sure if I'm comfortable with the changes

Very beautiful; just way too small print for these 'getting-harder-to-see' eyes of mine; need a strong magnifying glass...
