Great Color Plates!

Great book.

Product was exactly as described!! Shipping was fast!! Great deal...I hope to do business again! It was so hard to find a book that shows you how to paint ducks!! My husband is very pleased!

Just as described but shipping did take a while

I bought this for my husband and he learned a lot from it. Very helpful! He painted some beautiful decoys. I would definitely recommend it.

Exactly what I wanted.

Great buy, fast shipping!

this book was a waste of money! The pictures looked like cartoons and the instructions were non-existent! The only instructions were in the last few pages and they were very vague. Like, details may be added now. That doesn't help much. Needs details like feather patterns and brush strokes for feathers. I might as well have thrown \$10.00 out the window.
