Customer Reviews

I'd like to give it five stars because it has a nice look and feel but.... The zipper jams in several positions when I try to close it. I have made and sold many items with zippers in them in my business and consider myself to be a "zipper expert" and I can see that the zipper I received is not functioning as it should. Maybe the replacement they are sending me will have not have this issue.

Bought for my husband, he loves it.

The fit the bible like a glove and looks very nice. I wish there was a little more room to place a small tablet for notes. There is only enough room in this case for the bible and a pen - maybe a couple sheets of paper. Overall I still give it 5 stars. :)

Received as expected...my husband loves it!

pretty and perfect for my big bible.

This is a really beautiful Bible cover, for anyone... it looks very elegant, and has the names of our Savior imprinted... it looks very expensive. Very nice.

Perfect size and well constructed! Nice cover!

This cover was excellent and more than met my expectations.
