# New Mexico (America)

## Synopsis

Badlands and ruins, hot air balloons and pueblo life -- somewhere between the pop fame of Route 66 and prehistoric landscape of Carlsbad Caverns is the spirit of New Mexico: ancient and breath taking. Santa Fe and Albuquerque are alive with Spanish dance, modern architecture and painting, while vibrant native cultures thrive throughout the state. Visitors enjoy activities such as world-class skiing at Taos and white-water rafting along the legendary Rio Grande. In New Mexico, some of North America's best photographers celebrate this intriguing state, from ghost towns and sacred sites to vital urban communities and snowy wilderness scenes. About the America series: As expansive as America itself, this outstanding series captures outstanding views of panoramic landscapes, brilliant city skylines, and picturesque communities. Each volume focuses on a city or state and features 96 pages and 70 stunning images by internationally renowned photographers, plus descriptive captions.

We bought several of these as gifts for folks overseas and love them. Great pictures. Love the hardback version. Great price. What more could you want. Just nice quality all the way through and

this from someone who is extremely picky about photo quality. I've personally shot enough around Michigan to know what great photos should look like and this one delivers.

This was a lovely book and perfect for gift giving. The photo's are beautiful, and the book is well made. I am very pleased with this purchase.

Nice pictures from this beautiful state of Michigan. I've been to many places in Michigan and this book shows these wonderful spots.

Great book that I bought for a gift for my great aunt. I read the book before giving it to her and really enjoyed looking at the familiar places that we have traveled to. Nice, big, high quality photos. Would definitely recommend for a coffee table book if it was hardcover.
