Customer Reviews

holt spanish 1

Love how this Spanish 1 workbook shows you the proper way to spell and speak Spanish . It helps you learn the basics you need starting off learning the Spanish language . Very helpful and useful. Easy to understand and follow along . Book was delivered sooner than expected.

I pleasantly surprised at the condition of my product. I purchased mine used for around \$7. I was a little bit concerned that it would have writing in it but the only defect was a slight fold on the front cover. Not a problem with me. Also, the shipping was quick and accurate

Excellent condition

Used this in high school, now that I wasn't to take a second Seriously I bought the expresate series. Absolutely love it

Excellent; like brand new. No markings!

Excellent!

I'M SURE THERE IS A HUGE CONTENT TO LEARN FROM THIS BOOK. MUCHAS GRACIAS,

my daughter is glad to have it
