Customer Reviews

First, there are multiple stories in this book and not just one. So to say this is a full length novel is

stretching it. The premise of the first one sounded ok. The characters aren't at all relatable though and it was a struggle to finish it. I don't mind a fantasy but at least give the female some characteristic that's appealing. I didn't waste my time in the other stories.

I love reading all the Angel's book. So hot, sexy and so much sexual content . Just can't get enough of it.

I haven't finished reading the book. It's very hard to get into.

This is a hot, steamy, romance with action, passion and deceit. Eliza comes back to the USA to takeover her family fortune at 25. Once she arrives, both of her former stepfathers, Derek and Carter, want to help her invest the family fortune. However, Derek is forced into getting her to invest money into a company that her stepmother, Wanda, wants her to invest in, so she can prove she is making bad financial decisions and takeover the family fortune. Carter and Derek used to be friends until Wanda entered their lives, marrying each one of them, Derek first. Can they all three come together and join forces against Wanda? Abby Angel never disappoints!! I received a free copy of this book via Booksprout and am voluntarily leaving a review.

This book is scorchingly hot!!!! While I wouldn't consider this book to be 'dark' in theme, I would consider it to be a bit in the 'taboo' sector, as it's Eliza's stepfathers. The chemistry between the three is off the charts. Even with Carter and Derek you can tell there's something beneath the surface, beyond the hate and, the shows later in the book. Through blackmail, false accusations, failing businesses, devious step mothers, the love stands. There's a lot of heat in the book and of course HEA to be had. It's absolutely something you should add to your shelf.

I received a free copy of this book via Booksprout and am voluntarily leaving a review. Another great read. Once I started I could not put the book down. Rich bad girl, coming back to claim what is her's. Only to have both her step daddies also wanting some money. With a wicked stepmother wanted it all. How far will her stepmom go to get what she wants? You need to read to find out what happens!

I received a free copy of this book via Booksprout and am voluntarily leaving a review. Ms. Angel definitely knows her stuff when it comes to investment firms...and menages! She almost always has a strong female lead.. believe me Eliza does what she wants when she wants. No pushovers

here!POSSIBLE SPOILERS *****ONLY reason for 4 stars instead of 5...I kinda felt like the two men were more invested in each other than the heroine, maybe because of their history? Just felt like it wasn't quite equal to me. JMO!!

Unfortunately I gotta say this has to be my least favourite of one of Miss Angel's books but that's not saying it was bad read but In My Own Opinion it's just not for me. Which has got me miffed because I am a avid reader of Alexis Angel's books.This had so much covered in this book.... Two Hot Dirty Step Daddies, Two Hot Dirty Best Ex Friends, Two Hot Dirty Alpha Males, Two Hot Dirty Billionaires, both vying for the Love and Money one very Rich Lonely Girl Eliza Seymour. This girl gets double the dose of the Ex best friends Derek Stackford and Carter Blake, when Eliza returns to New York to take over her Family Company.But her step mother Wanda Seymour has different plans for Eliza and Wanda certainly won't allow Eliza to come back to claim what is rightfully hers. Wanda is nothing short of a nasty piece of work that Married both these Hot Dirty Men at one stage all you can do is think about strangling her.So much happens in this book but if you like any of the above descriptions about the Hot Dirty Alphas, then this book is for you. You will totally enjoy it.Thanks for the opportunity to read this book as an Arc for a Voluntary Review, Alexis Angel and please don't let my review discourage you from trying this book it was just not my cup of tea.Cilla aka Chilly x
