Customer Reviews

This was a nice surprise , nice read artwork was very clear that's a plus . Will read more for. This author.

I love sexually explicit graphic novels the art is ok, not too much detail, if you are thinking of purchasing this, and expect hard core hentai this is not it.

Love it so much it was best animeMaga I want to read more about this one is that ok

Great graphic phasingThe only downside is plot at the end been stop hopefully it change on the next chapter

It's ok. It could have been flipped but it was fine to read it is perverted though do not read if you don't like porn/ hentai.

Translation is kind of bad and story is just typical hentai. If you want something short and vanilla, this is your thing

I chaise rpthis because I want to and this was a good bookXD :D :b Xb so bye for ever
