JOEL OSTEEN JOKES - 2 Book Combo: 2 Hilarious Collections Of Joel Osteen Jokes

Synopsis

Every week Pastor Joel Osteen likes to get started with something funny. Having a sense of humor is an important attribute for all of us to have. We all need the capacity to laugh. After all, joy is a gift from God. We all know there's more than enough negative things in the world that we hear about each and every day, either through the news media or even in our own lives and the lives of those around us. Are You a Light Hearted Person? I personally feel that we should always be looking for things that make us laugh, chuckle or smile. I like the feeling of being a "Light Hearted" person and I hope you do too. I am arguably Joel Osteen's biggest fan but rather than argue about it, I'd prefer to just give in to anyone else who feels that they are a bigger fan than me. I currently weigh about 170 pounds so if you weigh more than I do, I guess you have a valid point. Now if you found that (my corny joke) even slightly amusing, I believe that you are going to absolutely love this collection of Joel's Jokes that I have put together all in one place that you can read in one sitting if you'd like. And if you're like me, you'll enjoy telling them just as much as reading them. Joel states upfront that the jokes are not doctrinally correct... that they're just to make us laugh so I too want to mention that here. Chapter Headings in Book 1 Include: â € Ladies Joel Heard About â € Men Joel Heard About â € Ministers and Pastors â € Miscellaneous You could use a good laugh right about now, couldn't you? You could be laughing within minutes. If you are already familiar with Joel's Jokes then you already know that what makes these jokes so cool is because they are short, clean and funny! If you like to tell jokes yourself, you can use these in almost any scenario, without fear that any are "low class" (for lack of a better term). Sure you may have heard a few of these before, but that doesn't mean that they aren't funny second time around. Does it? Are You a Light Hearted Person? I personally feel that we should always be looking for things that make us laugh. I like the feeling of being a "Light Hearted" person and I hope you do too. And if you're anything like me, you'll enjoy telling these jokes just as much as reading them. Are you ready to get started? Well then what are you waiting for? Let's get your giggle going.

I was dissappointed there were not more jokes. The jokes are great. I hope more jokes are written.

I bought this for my dad as a gift and he absolutely loves it because he has good clean jokes to tell in his retirement community at their events. He said he always hates it when he hears someone telling the dirty or not-so-nice jokes and was thrilled when I gave him this. We love Joel Osteen and look forward to his opening jokes on Sirius before his sermons.

Book was not all jokes. To many pages of introductions. I would not recommend it to any one. jokes are funny but not enough of them .each joke took up 2 pages.price was ok but not worth buying

you do not have to be a religioue fanatic to get alot of laughs from this book..Don has a since of humor and what a better way to start your day(other then talking to GOD)than with fun and laughter..thank you Don and also the daily quotes..I wish more people had fun and laughed more..this could change the performance in any person in any endeavor..stay cool

very pleased with my purchase.

Funny! Great book!

not really what I expected but it is OK

Funny well done
