A brand new edition with beautiful color photographs just in time for the holidays - this has been my go-to-gift for traveling friends. I love the original 1000 Places world book by the same offer, but this is the perfect reference for the wonders to be found in our North American backyard.

Very interesting travel destination book. I was impressed that they included our favorite historic hotel in Las Vegas, NM; however, they left out another of our favorites- French Lick in southern Indiana.

Retirement present for friend.

This is a great browse book for ideas for side trips during travel or maybe setting some road trip destinations.
