StreetSmart NYC Map By VanDam - City Street Map Of Manhattan, New York, In 9/11 National Memorial Edition - Laminated Folding Pocket Size City Travel And Subway Map Of New York City, 2017 Edition

Synopsis

VanDam's award-winning NYC StreetSmart 9/11 Edition maps all top attractions including museums, major architecture, hotels, theatres, shopping destinations, and the subway system for all of Manhattan - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The NYC StreetSmart 9/11 Edition includes a stunning dimensional detail of Downtown Manhattan with the 9/11 National Memorial site at 1:8,000 scale at its center to make you feel you are there. Also includes guided walks, and an address finder covering all of New York City. The other Boros, collectively known as The City of New York, including The Bronx, Brooklyn, and Queens, are available as separate maps. StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!

"...A Connoisseur's Map!" --USA Today"For savvy travelers." --Travel & Leisure"The Map..." --The New York Times

Stephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's has mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.

We used this map on a recent trip to NYC and it was very helpful! We could read the text easily and since it's laminated, it stayed in tact during the rainstorms we got caught in during the trip. Using phone nav. system in such torrential conditions was too risky - old school was the way to go.

Good street map of Manhattan, great how it folds and is nice and compact. Also great to have a subway map in your hip pocket.

This is great map. The information is timely, yet simple. This will be my go-to map of NYC.

I order this map, because I want to go to NY , and travel to the museums, and I will use the train. Thank u . Good NYC map. I recommend it.

Bought this map for my trip to NYC a few weeks ago. The map is very legible and easy to read. If you need a map that contains all the tourist stuff to do in NYC by this one, you won't regret your purchase.StreetSmart NYC Map by VanDam - City Street Map of Manhattan, New York, in 9/11 National Memorial Edition - Laminated folding pocket size city travel and subway map, 2016 Edition

This guide was perfect for our first trip to NYC. Had all the information we needed in a format that was easy to carry and the price was good. I highly recommend it if you are traveling to NYC.

Just as well constructed as the map of New York with Mid Town as a special section.

Very nice. Really came in handy on our recent trip to NY.
