The Insider's Nassau Travel Guide: All The Info You Need To Know About The Biggest City In The Bahamas

Synopsis

Nassau is one of the most beautiful places in the world, and it also offers some of the best beaches, watersports, shopping, drinking, and diving you'll find anywhere. The Insider's Nassau Travel Guide has been written with the reader in mind, as it provides an array of information to help you find the best spots to spend your time and money. The author himself has made many trips to Nassau and has put all his tips into this short but informative read.

Best Sellers Rank: #218,503 in Books (See Top 100 in Books) #8 in Books > Travel > Caribbean > Bahamas #132 in Books > Travel > Caribbean > General

Customer Reviews

This summer I'm making a trip to Havana, and then taking a jaunt to the Bahamas for a week. I bought Dustin's other travel guide and thought I'd give this one a shot too, as they're both pretty cheap. This book is even better than the Cuba one, as it seems to have a lot more information. I like the sections on the beaches, and know that I'll be visiting some of the locally owned restaurants while I'm there.- AlwaysWorkin'â...â...â...â...â...Nice book and it will come in handy going to Nassau for the 2nd time. Lots of good info, definitely.- Customerââ...â...â...â...â...

Dustin is a Michigan-based author who's made a name for himself as an author of premium gaming content. Armed with an excessive amount of imagination, Dustin has been jotting down ideas for stories for years. Recently, he decided to start fleshing out those ideas, and the end results are the stories you see here. Dustin currently lives in Midland, Michigan with his wife Carla and three children: Alexis, Olivia, and Connor. In addition to his novels, he has written for betting information sites Casino Listings and Wizard of Odds.

This summer I'm making a trip to Havana, and then taking a jaunt to the Bahamas for a week. I bought Dustin's other travel guide and thought I'd give this one a shot too, as they're both pretty cheap. This book is even better than the Cuba one, as it seems to have a lot more information. I like the sections on the beaches, and know that I'll be visiting some of the locally owned restaurants while I'm there.

I go to Nassau every few years and am always looking to see what's new there. With the launch of the Baha Mar Resort, there's going to be a lot more stuff opening up, and this guide gives you some good off the beaten path spots to stay. The book's a bit short, but I recommend it for putting on your phone or iPad, as it's easy to navigate to good spots to find spots to each, relax, or drink at.

Nice book and it will come in handy going to Nassau for the 2nd time. Lots of good info, definitely. The author asks for suggestions so here goes: 1) we are staying at Atlantis at the Reef Tower, and this tower is missing from the list for Atlantis Hotel Accommodations. 2) maps of where all these places are would help. I have google maps on my iPhone and I was able to punch in the shops, beaches, or restaurants in the search box and it pulled up just fine. Without this, I would be lost with just the book. 3) where do you go to take a boat ride? Cruises have these options; not sure how to get to Blue Lagoon if you stay on island. 4) more pictures would be cool. 5) maybe a section on "what not to do" or places to avoid. Great book. We visited last year by cruise but did not like the 4-5 hours we had on the island so we decided to fly in this year for several days.

I never review books, good or bad, but this book is such a rip off (even at such a low price) that I want to warn people away from it. It's 50 pages, and the pages are not numbered so the reader doesn't realize how short it is. The print is enormous, so there's very little information on any page, and many of the pages are more than half white space. Approximately 1/3 of the book is about the Atlantis Resort Guide, which is pictured on the cover. If you're not staying there, the book is of no use. If you ARE staying there, the book contains nothing that you won't find at the concierge desk after you arrive. There are a total of 11 restaurants listed, including budget, medium and luxury. There are 6 stores listed, including "everything" from souvenirs to high-end shops. In the text the writer refers to his book as "tips" and not as a "guide." This book is not worth taking the time to order and slip out of the container. Truly the worst book on any subject I've ever purchased.

This is a 52 page book with lots of blank space and could have been written by a high school senior. It provides no unique information. Save the money for a rum drink and surf the web.
