McGraw-Hill authors represent the leading experts in their fields and are dedicated to improving the lives, careers, and interests of readers worldwide

the book was in good condition, but it was not the book we needed. Because the authors and edition number were not listed, I purchased the wrong one. However, I re-ordered, checking that info & am well-pleased. BUYERS; it is important to verify the AUTHOR & EDITION NUMBERS on the books ordered online., especially for a basic or general-sounding titles that might be repeatedly used. If it doesn't list the edition info, don't assume! i learned a good lesson...the hard way!

a book for my freshman, can't say he wanted it but it was required! book was in good shape + does
