## **Synopsis**

The Scanguards Vampires series - over 1 Million copies sold worldwide! Emotionally scarred by the death of his blood-bonded mate and unborn child several years earlier, vampire and Scanguards bodyguard John Grant avoids women at all costs, desperate to prevent another heartbreak. But when single mother Savannah Rice begs him for help finding her kidnapped daughter Buffy, he can't help but feel drawn to her and the passion that lies dormant behind her blue eyes. As they work to uncover a child trafficking ring leading all the way to Russia, John and Savannah allow themselves to find love and support in each other's arms. In doing so, they are forced to confront their mutual guilt and fear while fighting to rescue Savannah's daughter and the other girls who have fallen into the hands of an unscrupulous villain. But even if they can destroy the trafficking ring, and save the girls, will Savannah be strong enough to love John once he reveals that he is a vampire who craves her blood? ## Customer Reviews

I love the Scanguard series and John's Yearning even exceeded by expectation. John's and Savannah's story is so full of emotion and hope while fighting a very bad villain. While independent it was so nice to read about a heroine who did not go overboard and wasn't afraid of loving someone who desperately needed it. Don't miss out on seeing more of the the hybrid children too. Like human children, they sure are a handful.

Great story! Fast paced action from the beginning. John and Savannah are one if my favorite couples. Great story line with a very satisfying ending. Keep up the good work, Tina!
