The Lost (Witch & Wizard)

Synopsis

Now in paperback, the fifth and final book in the bestselling Witch & Wizard saga exposes the nature of power--and what it means for the heroes that have it. Whit and Wisty Allgood have fought and defeated their world's most pernicious threats. But just as they start to settle into their new roles in governance, a deadly crime wave strikes, with all signs pointing to a magical mastermind. As the city turns against all those who possess magic, the siblings find themselves persecuted and questioning everything, including their abilities.

Customer Reviews

James Patterson has had more New York Times bestsellers than any other writer, ever, according to Guinness World Records. Since his first novel won the Edgar Award in 1977 James Patterson's books have sold more than 300 million copies. He is the author of the Alex Cross novels, the most popular detective series of the past twenty-five years, including Kiss the Girls and Along Came a Spider. He writes full-time and lives in Florida with his family.

A quick bio before I start- ive been reading these since first grade, when I bought the first Maximum Ride book at a school book sale (Thank you to the clueless parent who thought that would be a good read for such a little kid). Anyway, I was afraid to take the book out of my bag due to the thickness and (kind of graphic) cover art, but once I did I loved. After reading the first three books, I

discovered w and w, and here I am. I read all the books in both series, up to nevermore and the kiss respectively. Years passed. I switched schools. I annoyed my sister. I kissed a guy (Jk) Until mid 6th grade, when i found m ride forever. I cried lot. nuff said. I didn't want to red the lost, as It looked like a copy of the kiss. I finally bought it and Im glad ai did.The lost is probably my favorite and least favorite of the series. Like Maximum ride forever, all the characters seem so old. Wisty isnt as fiery. Whit seems detached. Pearl s evil, and in the book for like 2 seconds. I actually havent read the book recently, and am trying remember the details. I thought the family and the horsemen were executed well. I didnt like the return of the one. It fet forced. The ending. I cried. So hard. I always thought Wisty and Bryon would be together forever. His sacrfice was very imilar to Dylans. I miss the lighthearted feel of the first books, but loved how the characters matured with me. I sy goodbye to them now, at the end of the road. Goodbye to the resistance. Goodbye to Janine and Sasha and Emmet nd Margo and eveyone else. Goodbye to the city, and the order within it. Goodbye to Pearl, and Mama May, and everyone else . Goodbye to the Allgoods, the parents, Miss highsmith, and the talking weasel. Goodbye to the writer, whit. Goodbye to the Wisty, the Girl on Fire, The One with All the Gifts.

Ok... great book. Absolutely loved it and this time I didn't see 'you now who' coming back. ã Â Â^Â• it has a solid ending, but I wish there could be more books because it has an awesome story line!!! It has a very touching ending and I couldn't help feeling heartbroken at the end but I enjoyed all the twists to the story and the new mysteries. Through the whole book I sat on the edge of my seat and was itching with curiosity. I promise, you will not regret reading this book...and I'm a scary witch who keeps her promises!ã Â Â"Â¥

I bought this series as a gift. This recipient was very happy with the entire series and read them back to back.

I loved how this book ended and the whole series leading up to it. It was amazing how in the first book they found out they were a witch and wizard to the the ending of this book.

Love James Patterson and love this series! It's going to make a great Mothers Day gift as well! Can't say enough great things about the author!

The witch and wizard series are all great reads. This one has surprising twists. I'm an adult I

recommend these books to anyone 8 to 88. If you like books that take you another world.

Wisty and Whit have returned to finish a great series. The city is at chaos due to trouble caused by an evil group called the Family. The city's leaders want to put an end to witch and wizard's powers in the city. Whit makes a horrible mistake. Wisty struggles with the Family. Dark powers take control of the city. Wisty and Whit turn to ash...This book was a great ending to a great series. It is definitely a must read. I wish the series wasn't over.

great book
