Casebook In Child Behavior Disorders

Synopsis

Reflecting the latest research from the field, CASEBOOK IN CHILD BEHAVIOR DISORDERS, 6th Edition vividly illustrates the rich and arresting nature of disorders that first manifest themselves in childhood while also showing how a child's developmental patterns shape the expression of each disorder. Throughout the book, the author explores the DSM-5 criteria and highlights the interaction between developmental and environmental influences for each disorder. An assortment of cases, including complex cases, effectively demonstrates how each disorder is expressed -- from presentation through diagnosis and treatment. Mixed cases encourage independent thinking as they challenge students to draw from their knowledge to come up with their own diagnosis.

Book Information

Paperback: 224 pages

Publisher: Wadsworth Publishing; 6 edition (March 1, 2016)

Language: English

ISBN-10: 1305652967

ISBN-13: 978-1305652965

Product Dimensions: 6.4 x 0.5 x 9.1 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Customer Reviews

Christopher A. Kearney is the Distinguished Professor of Psychology at the University of Nevada, Las Vegas (UNLV). He is also Director of the UNLV Child School Refusal and Anxiety Disorders Clinic. Dr. Kearney's research interests include school refusal behavior, selective mutism, posttraumatic stress disorder in maltreated youth, perfectionism, and other anxiety-related conditions in children and adolescents as well as issues of quality of life in persons with severe handicaps. The author of several books and numerous book chapters and journal articles on these topics, Dr. Kearney also conducts workshops for school districts and mental health and other agencies regarding school refusal behavior and selective mutism. A Fellow of the American Psychological Association (Division 12; Clinical Psychology), he is a recipient of the William Morris

Award for Scholarship, the Barrick Scholar Award, the Barrick Distinguished Scholar Award, the Harry Reid Silver State Research Award, the Distinguished Teaching Award, the Outstanding Graduate Faculty Award, and the Academic Advisor Award-Graduate from the University of Nevada, Las Vegas. Dr. Kearney received his B.A. in psychology and sociology from the State University of New York at Binghamton and his M.A. and Ph.D. in psychology from the State University of New York at Albany. He completed his internship at the University of Mississippi Medical Center before moving to Las Vegas.
