The Rough Guide To Tuscany & Umbria

Synopsis

The new, full-colour "Rough Guide to Tuscany and Umbria" is the ultimate travel guide to some of Europe's most popular tourist destinations. Covering the region more comprehensively than any other guide, it's packed with up-to-date and expert information on all the attractions, from the great museums of Florence and Siena to the tiny rural villages, as well as guiding you to the best of the beaches, forests, mountains and vineyard-clad hills. It also gives you the lowdown on the best hotels and restaurants for all budgets, and illuminates the sights with background information on history, folklore, art, architecture and festivals. Dozens of photographs and easy-to-use colour maps complete a guide that has long been established as the best you can buy. Make the most of your time, with "The Rough Guide to Tuscany and Umbria".

Reliable, readable Rough Guides Conde Nast Traveller

This is one of three books I took on a very recent 14-day tour of Tuscany and Umbria. (The others were Michelin Tuscany and Blue Guide Tuscany.) I had a rental car and I mainly visited the smaller places (Orvieto, Montepulciano, Pienza, ...) This Rough Guide has three authors and is very well balanced. At least one author knows a lot of history and art history, so the book has substantial depth for the serious traveler. (The Blue Guide has even more depth, and I'd whip that out for a second opinion.) I also frequently followed the Rough Guide's recommendations for hotels and

restaurants, and my experiences were generally excellent. If I had to limit myself to one book, this would be it.

Great book with " local " insights ... Tried lots of suggestions and wasn't disappointed ever !Especially the restaurants. ! Excellent fun guide to Tuscany. !

A wonderfully detailed guide that took us to many special places in Umbria. It was especially nice to have it on the iPad and iPhone, since we were only using the Umbria section.

I relied on the reviews of others on like products. I found this book to be as billed. It is working for me.

good travel guide

Rough Guide is my fav reference for Tuscany/Umbria. The new color photos & better grade of paper are nice but the content was disappointing. This is supposed to be an updated version yet there are no websites listed for any museos, ristoranti & most hotels. One can find better info @ Trip Advisor.

this was a gift for friends traveling to Italy. they loved it. i love the Rough Guide series for italy and sicily.
