One of Leonard's best.

Elmore Leonard is always a great read- Freaky Deaky was pure joy.

Read them all. Then he died. Pity.

Interesting characters and witty dialogue. The action moves at a good pace and it's well written. I'm a big Elmore Leonard fan and this one didn't disappoint.

I thought I'd enjoy this a lot more than I did. Actually it was pretty dull to read: an effort rather than a joy.

If you're looking for something to read in one sitting, this is it. Going on a trip? Long flight? This one is perfect. Going on a romantic getaway with that special someone? Forget it! They'll be jealous 'cause all your time will be spent on this book. If you like Leonard, you'll love this one. If you liked the movies "Get Shorty" or "Out of Sight" and want to start reading some Leonard, here's a great place to start.

Elmore Leonard says Freaky Deaky is his best book but it isn't; his best book is VALDEZ IS COMING, a wonderful read. Freaky Deaky reminds me of W.E.B. Griffin's formula superhero yarns. My copy is going to Saint Pia Zadora Thrift Shop.

I've read just about all of Elmore Leonard's thrillers up to "Maximum Bob
