Black Panther: A Nation Under Our Feet Book 1

Synopsis

A new era begins for the Black Panther! MacArthur Genius and National Book Award-winning writer T-Nehisi Coates (BETWEEN THE WORLD AND ME) takes the helm, confronting T'Challa with a dramatic upheaval in Wakanda that will make leading the African nation tougher than ever before. When a superhuman terrorist group that calls itself The People sparks a violent uprising, the land famed for its incredible technology and proud warrior traditions will be thrown into turmoil. If Wakanda is to survive, it must adapt--but can its monarch, one in a long line of Black Panthers, survive the necessary change? Heavy lies the head that wears the crown!

Ta-Nehisi Coates is an American writer, journalist, and educator. Coates is a National Correspondent for The Atlantic, where he writes about cultural, social and political issues, particularly as regards African-Americans. Coates has worked for The Village Voice, Washington City Paper, and Time. He has contributed to The New York Times Magazine, The Washington Post, The Washington Monthly, O, and other publications. In 2008 he published a memoir, The Beautiful Struggle: A Father, Two Sons, and an Unlikely Road to Manhood. His second book, Between the World and Me, was released in July 2015. It was nominated for a 2015 National Book Award for Nonfiction. He was the recipient of a "Genius Grant" from the John D. and Catherine T. MacArthur Foundation in 2015

Blending contemporary themes in African politics with realistic scenarios for the aftermath of a king going to fight other people's wars, Coates creates a truly gripping narrative.

Coates is dynamic!

I thought this was hands down the best Black Panther series ever written. I can't wait to read the next book!

Story and art in this volume are spectacular. Highly recommend to anyone who enjoys story driven comic books

I thought this was a great introduction to the Black Panther brand. I will continue following all of the storylines.

Excellent book, thank you

Ta-Nehisi I'm grateful that Jack Kirby and Stan Lee have accepted you into the world they created. As a Kenyan it is profound that the founders had the foresight to see beyond their country into the Universe that is the African Continent its people their cultural heritage resources and struggles. I'm glad you did your research and used our languages it was exhilarating to read Swahili text you made it real.

Coates writing is masterful and Stelfreeze is a brilliant artist.
